| Support | This conference is supported by the Scientific Grant Agency of the Ministry of Education, Science, Research and Sport of the Slovak Republic within the research project VEGA 1/0177/19 "Challenges and perspectives of cross-border cooperation in the context of the implementation of the EU-Ukraine Association Agreement". |
| Aim | The main aim of the conference is to discuss findings of current research aimed at identifying opportunities and barriers to the development of cross-border cooperation (CBC) at the EU-Ukrainian border arising from the impact of EU policies and its relations with Ukraine, including the impact of the Association Agreement (AA), governmental policies and relations between Poland, Slovakia, Hungary, Romania and Ukraine. The scope of interest includes the capacities of regional and local CBC actors and their ability to utilize existing and anticipated opportunities, as well as the impact of CBC on development of border regions and regional societies. The practical aim is to formulate policy considerations relevant for further development of CBC, applicable in practice to the actors of cross-border cooperation at the regional, national and transnational (EU) levels. |
